Exempt Certificate For Non-profit, Charitable, School, Religious or Government Organizations -- Issued by the Colorado Department of Revenue. An organization should first obtain income tax exempt status 501(c) (3) from the Internal Revenue Service (IRS) if necessary. To apply for this certificate with Colorado, use the Application for Sales Tax Exemption for Colorado Organization (DR 0715). No fee is required for this exemption certificate and it does not expire. All valid non-profit state exemption certificates start with the numbers 98 or 098. Out-of-state organizations should obtain an exemption certificate in their state of business/operation. Businesses that plan to purchase items for resale without paying sales tax should obtain a Colorado sales tax account by completing the Application for Sales Tax/Wage Withholding Account (CR 0100). The sales tax license enables the business to collect sales tax when they resell the items.
